

Can clothes be stored in the terrace locker

How do you store your clothes?

Store Valuable or Delicate Items Separately: If you have valuable or delicate items of clothing, consider storing them separately from your regular clothes. Use specialized storage bags or containers designed for preserving delicate fabrics and protecting against pests and moisture.

What are the requirements for a contaminated clothing storage facility?

This includes accommodation that may provide separately for the storage of wet or otherwise contaminated clothing from the workers own clothing. The facilities should also have adequate seating. Specifically configured lockers and changing room benches can help to assist in the compliance with these regulations.

How to use shelves and drawers for clothing storage?

Here are some tips on how to effectively use shelves and drawers for clothing storage: **Select Sturdy and Adjustable Shelves:** Invest in sturdy shelves that can support the weight of your clothes. Adjustable shelves are beneficial as they allow for customization based on the height of the items you plan to store.

Do you keep track of what you store in a loft?

It isn't easy to keep track of what you store in the loft. If you really want to be able to access your possessions when you do need them, it helps to keep a record of what you've put up there, and where. The worst thing you can do is fill up your loft with so much stuff that you can't reach anything.

Are plastic lockers a good choice?

40. Wetsuits - Plastic lockers will not rust, rot or corrode so are ideal for external storage. They can also be used in wet changing areas, are able to be washed down with a pressure washer and are suitable for storing damp items; such as towels and wetsuits.
