Polarium was founded in 2015 on the conviction that safe, smart and sustainable energy storage solutions will be key to empower the transition to a truly, sustainable energy future. We are an impact business contributing to the sustainable energy transformation by enabling renewables, electrification and intermittent power supply.

Company profile for Storage System manufacturer Polarium Energy Solutions AB - showing the company's contact details and products manufactured. ENF Solar. Language: ... Beny New Energy - BENY 215kwh ...

Protect your business from unreliable power supply caused by blackouts or planned shutdowns. Our energy storage solutions built on lithium-ion batteries enable you to secure critical reserve power - with a more attractive CO2 footprint, total cost of ownership, lifetime, and energy density compared to alternatives such as diesel generators or lead-acid batteries.

Polarium's storage solutions maximize the potential of solar and wind installations, by turning renewable energy into a dispatchable asset and ultimately become more energy efficient. We are an impact business contributing to the sustainable energy transformation and strive to integrate sustainability into the core of everything we do.

Carnegie acted as financial adviser to Polarium in its equity raise of SEK 500 million and its amendment and extension of its credit facilities. Polarium is a leading developer of energy ...
