

Solar Panel 550w Tier 1 Mono Solar Panel Monocrystalline solar panels have the highest efficiency rates, typically in the 15-20% range. This high efficiency rate means they produce more power per square foot, and are therefore very space-efficient. Monocrystalline solar panels tend to be more efficient in warm weather.

MacSell Solar Outlet is your top choice for solar equipment in South Africa. We sell a wide selection of power backup solutions, inverters, batteries, and portable power systems and Inverter and Battery Combo . Variety of brands Mecer, Lucpower, Growatt, Dyness, Svolt, Fivestar and many more to suite every budget.

Macsell gave us top class service... Macsell gave us a top class buying experience with the Sun brand 10.2KW hybrid solar charger we ordered on 23 September. It was delivered undamaged to Port Elizabeth on 3 October. The contents were exactly as described on their website, and installed with no problems at all. Highly recommend.

MacSell Solar Outlet offers an extensive range of Solar solutions tailored to accommodate diverse budgets and requirements. Missing battery but good service corrected issue. Initial delivery had one battery missing, but good communication from Macsell quickly sorted the issue and the missing battery was shipped quickly. 5 stars would have been given if I didnt have to follow up with the courier and merchant to correct their mistake and figure out who was at fault. Great service otherwise and no regrets with my ...

Perfect for off-grid power systems like solar power or generator systems It's suitable for 3 phase 4 wires (or 1 phase 1 wire) dual power grid with AC 50Hz, rated voltage 220V-240V and rated current up to 63A. When one power system turns off, the switch will automatically connect to an alternative. Use a known solar or backup power installer.
