POWERFUL TEAM. POWERPLUS" large and continually growing international customer base is the best indicator of our worldwide success. We are scrupulous and committed to selecting and partnering with high-caliber and experienced dealers.

Yes Miquelon has its own accent, slightly different than St Pierre. Miquelon has a much stronger Acadian base to it historically. Actually the most of the Magdalen islands were settled by catholic acadians from Miquelon who fled the French revolution : they believed the king was of divine right, therefore a Republic was antithetic to their beliefs.

In Saint Pierre and Miquelon, power sockets conform to the type E standard. Type E sockets have two round pins with a hole for the grounding pin, which is essential for safety. These sockets ...
