

This 100W Mono solar panel with its high power output and the robust design the right solution for a stand-alone system. Even on cloudy days, the solar panel delivers a high energy yield. The ...

We at SolarMax have a wide range of electrical accessories used in alternate energy systems. From connectors and flexible pipes to cable lugs and tags, our products are made with high-quality material for long-lasting and sustainable use. Our products are widely used in setting up solar inverters, solar panels and other alternate energy systems.. Visit our online store to ...

Solar panels supplied by the Australian Defence Force are helping Cook Islands Police address their financial troubles. At a time when the Police Service has been financially crippled by huge power costs, the Maritime Surveillance Centre (MSC) at Avatiu harbour has made major strides in reducing its operational costs.

Solar Hanger Bolts. Our high-quality solar hanger bolts are the perfect solution for securely mounting solar panels on pitched roofs, including tile and metal surfaces. Made from durable stainless steel, these bolts feature a dual-thread design: a self-tapping wood thread for solid anchorage into roof rafters, and a machine thread to attach mounting rails or brackets.

Provide at least 200 household applicants with free energy audits, and then provide loans for them to install energy efficient lighting and electric appliances, as well as rooftop solar panels ...

Infratec Chief Executive Greg Visser said the four solar plants were now providing clean, reliable and affordable energy to almost 1500 people - or about 9 percent of the Cook Islands' population. The solar panels, which are backed by battery storage, will meet about 95 percent of the islands' energy needs, he said.
