We live in ARUBA, a very sunny island in The Caribbean. Solar solutions are perfect for here. There are many ways to use the sun for your solutions. I use this mainly for generating electricity, but at the same time as a Dark/Light switch as well. Electronics, small mechanics, small construction is what I like.

One of the largest suppliers of incinerators globally. Providing award-winning waste solutions across the Medical, Animal and Municipal sectors. Our standard incinerators range from 10kg/hr - 1,000kg/hr capacity.
