Is solarNow rebranding a C&I solar company?

On March 16th, SolarNow announced its rebrand. With the changes in our company logo, colors, and overall identity, we complete a 2-year transformation process towards a C&I solar company that serves commercial and institutional customers.

Is solarNow better than BOP?

SolarNow provides larger home systems and income generating appliances that facilitate entrepreneurial activity. This segment is both more valuable and less well served than the BOP. The company has a 6 year track record at delivering tailored and technically more complex solutions with greater servicing requirements than lanterns and mini-kits.
