

Synergy battery price Saint Pierre and Miquelon

Does synergy have price changes?

Yes. The State Government has approved price changes to regulated business tariffs effective 1 July 2024. We have worked hard to keep increases to Synergy's tariffs, fees, and charges as low as possible for our business customers. For more information, you can view the full details and changes at synergy.net.au/pricechanges.

What services does synergy offer?

If your business is needing more help or support, Synergy offers services to assist you in managing your business's energy use and costs. We can also help you with long-term energy saving solutions, including commercial solar and batteries. For more information call us on 13 13 54 between 8am - 5pm, Monday to Friday (excludes public holidays).
