

Turks and Caicos Islands solar system for sale in gauteng

Providenciales, Turks and Caicos Islands (Thursday, June 8, 2023) - FortisTCI will invest \$8 million to install the country's first solar plus battery microgrids to power 30% of the electricity supply on North and Middle Caicos and 91% of the electricity supply on Salt Cay in 2024. The microgrids represent the Company's single largest green energy investment to date.

We have designed a number of prepackaged solar systems which can remove any number of circuits within your home or business from the grid, we offer a supply only or a supply and installation service for these systems:
