

Uganda adven group

What makes Adven a sustainable company?

Sustainability is at our core, paving the way for a better tomorrow for the next generations. Adven is an energy group, driving the energy transition by developing sustainable, competitive solutions in partnership with customers and suppliers.

Why should you join Adven?

Adven's history as an energy group, dates to a time where oil or coal was the solution to enable major progress in our societies. Since then, time has changed, and so has our mission. Read about a selection of our ongoing energy transitions and how we are making difference in a world of change together with our customers. Do you want to join us?
